

PELVIC ULTRASOUND PREPARATION

Alpha Vascular & Ultrasound Center

234 Russell Street, Suite 204 • Hadley, MA 01035

Phone: (413) 387-0022 Fax: (413) 674-0001

Email: info@alphavascular.com

Before Your Examination

Drink approximately **32 ounces (1 liter)** of water one hour before your appointment and **do not urinate** until your examination is complete.

Important Information

At this time we perform transabdominal pelvic ultrasound only. Transvaginal pelvic ultrasound is not currently offered.

Why a Full Bladder Is Important

A full bladder allows optimal visualization of the uterus and ovaries. If your bladder is not adequately full, portions of the examination may be limited.

Please Bring

- Photo ID
- Insurance card (if applicable)
- Physician referral or order (if required)
